I am applying for a special use permit to be able to work from my home. I am a hairstylist and I do only hair. There would be no one else working with me. I cut, color and perm hair. The average length of an appointment is 30 to 45 minutes; this includes shampoo, haircut, blow dry, style, and payment for services and to set up next appointment. I do not over book myself. Other appointments such as perms and colors run about 2 hours, I don't book appointments in between these.

I do not do any body piercings, permanent make up, facials, tattoos or anything besides hair care.

I have parking space in my driveway for up to four cars, they would not be parking on the street. Parking would not be a problem, as I would have no more than two people at a time at the most.

I have spoken to the neighbors and they say they would have no problem with me working from my home.

I do not advertise such as signs or advertisements, my customers are repeat customers or referrals.

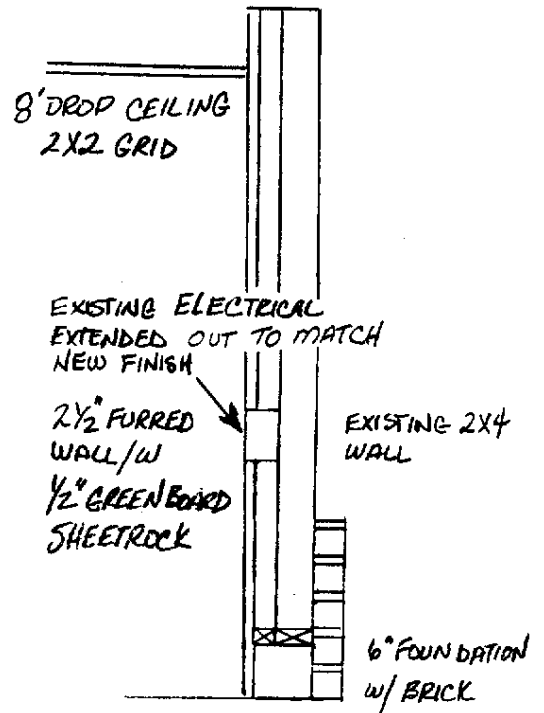

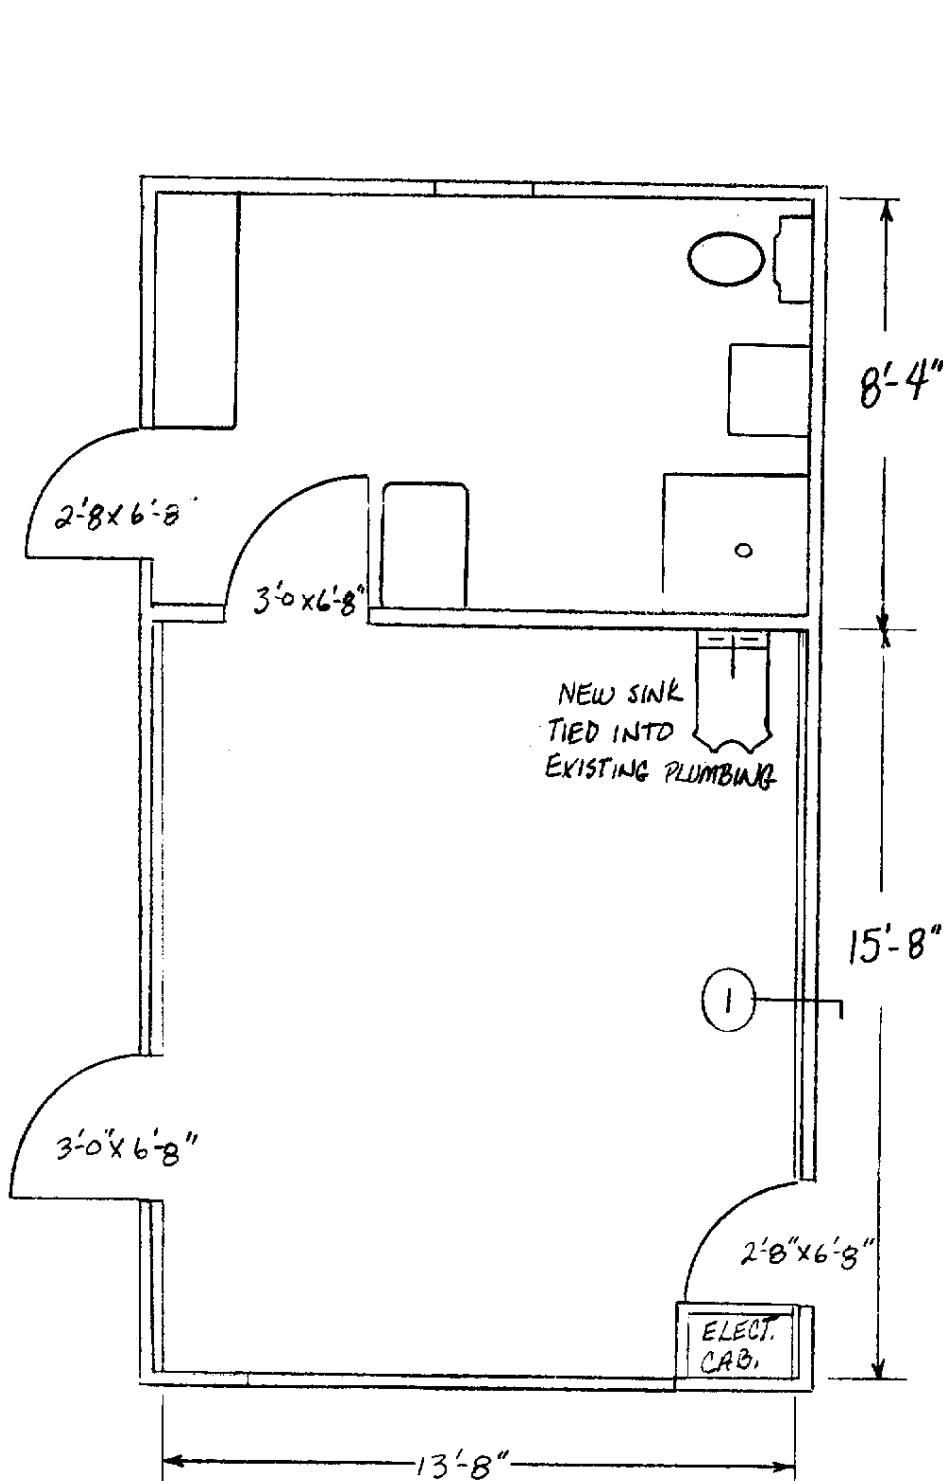

My hours of operation are Tuesday and Thursday 10 am to 7pm, Wednesday and Friday 10 am to 4 pm and Saturday from 10am to 2 pm. I think I would be well within the limits of operation.

I am a single mother with a 6-year-old son and a 75-year-old grandmother living with me that I take care of.

Approval of this permit would provide tremendous convenience and security in knowing I would not have to move my business again, and also an economical advantage for me and my family.

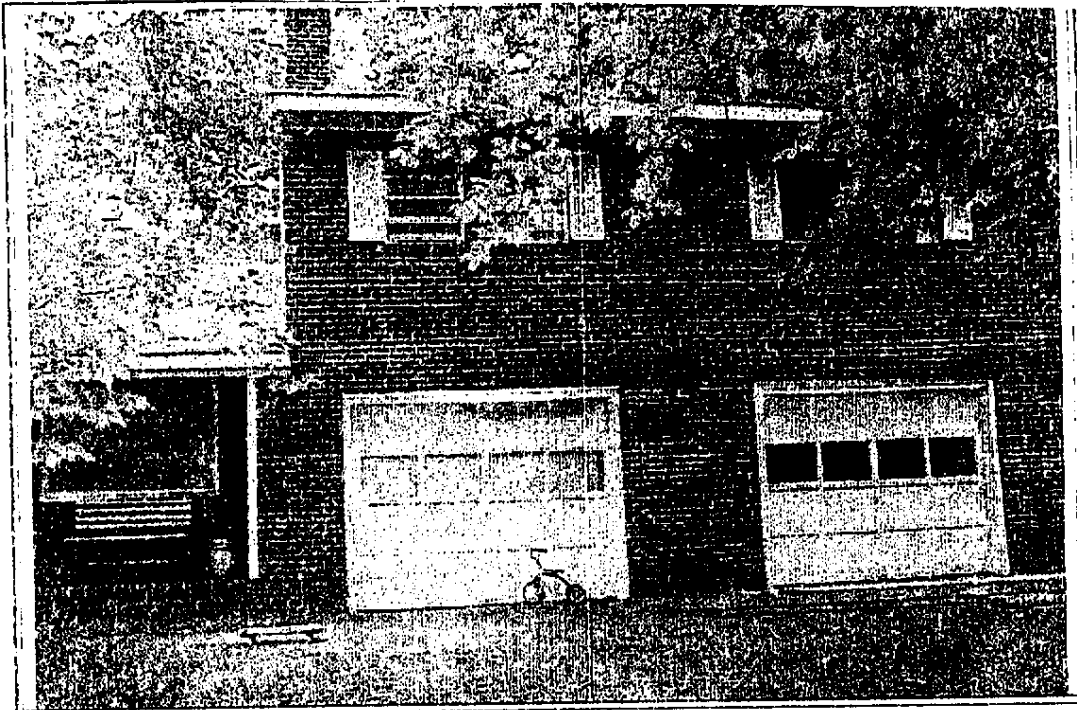

Thank You,

Charity Combs
